# HARISHKUMAR L

**Email**: 717825f317@kce.ac.in | **Mobile**: +91-9025574625 | Coimbatore, Tamil Nadu, India
LinkedIn | GitHub | LeetCode | CodeChef | GeeksforGeeks

## Career Objective

*Aspiring software developer seeking an opportunity to solve real-world problems through technology, continuously improve my programming abilities, and build impactful software applications.*

## Education

**Karpagam College of Engineering** – B.Tech Information Technology (3rd Semester) *Coimbatore | 2025 – 2029*

## Skills

**Languages**: C, C++, Java, JavaScript, HTML5, CSS3, Bootstrap
**Core CS C Tools**: Data Structures S Algorithms, Object-Oriented Programming, Git, GitHub, VS Code
**Currently Learning**: Node.js, Express.js, Oracle Database, MongoDB

## Internship

**Thiranex** – Full Stack Development Intern *29 June 2026 – 28 July 2026*

- Successfully completed the internship, gaining exposure to full stack development and professional software development practices

## Projects

- **E-commerce Website** (HTML | CSS | Bootstrap | JavaScript) – Web-based shopping application with organized product displays and shopping functionality. Live Demo
- **AI Error Tracking System** – AI-powered application to identify, analyze and track software errors so developers can debug more efficiently. GitHub
- **Bus Ticket Reservation System** – Application to search buses, check seat availability and book tickets.
-

## Research Work

- **Tamil Sentiment Analysis** – Research on improving sentiment analysis in Tamil using multimodal learning that combines language and visual information.
-

## Hackathons

- **Participated** in **ALGOTHON** (Virtual Round), **HackeVerse** and **Prompt Run** – participation certificates received.

## Problems Solved & Coding Activities

- **1,500+** CodeChef | **100+** LeetCode problems | **50+** GeeksforGeeks problems | **15+** coding contests

## Achievements

- **Executive Member** of Quantum X – contributing to technical and student community activities.
- **25+** DSA certificates; completed **C Programming Course** from Simplilearn with certification.
